

Psalm 27:1

1 The Lord *is* my light and my salvation; whom shall I fear? The Lord *is* the strength of my life; of whom shall I be afraid? **2** When the wicked came against me to eat up my flesh, My enemies and foes, they stumbled and fell. **3** Though an army may encamp against me, my heart shall not fear though war may rise against me, in this I *will be* confident.

Calumet Christian Champions

By Kaitlyn Foutz

November 10th, our varsity girls' basketball team had their first tournament to kickoff the season. Covenant Christian High School hosts this tournament every year. This year our varsity girls took home the 1st place trophy! In the past few years the team has been growing and their effort and skills were greatly displayed on the court. They played two really close games and were able to pull out a win! We are very proud of our lady patriots! Way to start the season strong! Great things are expected from the team this season, also a big thank-you to all who came out to support! Hope to see everyone at the first home game and all their other games this 2018-19 basketball season!

CCS Auction

By Mattie Wells

The Auction was on November 3rd 2018. The Auction is one of our favorite fundraisers we do every year. It is such a fun event for the workers as well as the guests. We had amazing items and a great time. We had some awesome baskets and beautiful art pieces all made and contributed by CCS students. This year's auction went amazing, and we couldn't have done it without CCS families support. Thank you CCS students and families who came to support and work at the auction! A special thanks to Mrs. Constant and team for all the hard work you put into these auctions!

Calumet Vs. HB

By: Kaitlyn Foutz and Bobby Dixon

- The first games of the 2018-2019 basketball season were played against Hammond Baptist.
- The Junior High A and B, Junior Varsity, and Varsity boys all played their first game on November 6.
- Junior High B team came out with a strong win to start the season off right.
- A team, JV, and Varsity all played their hearts out during their game, but unfortunately we didn't come home with the win.
- This game against Hammond Baptist is one of everyone's favorites because of our rivalry.

For the season opener for the 2018-2019 basketball season our first game for all the boys teams was played against Hammond Baptist. As it was an intense game for all our boys most importantly it was a fun night to remember. Junior High B came home with the win playing strong and hard the whole game. A team, JV, and Varsity all played extremely well giving it their all. The games against Hammond Baptist are some of our most favorite games to watch because they are our rivals. Here's a special shoutout to all the CCS fans that came out to support their patriots for their first game of the season!

Cut off a foot of pool noodle and place inside boots to keep them upright and save floor space!

Use chapsticks on your zippers to make sure they don't get stuck. (warning: Chapstick might stain clothes)

Mens Fashion

By Donald Hall and Tiarra Ceaser

Have you ever wondered what it takes to be considered “fashionable”? Has anyone ever told you that you look bad? Here are some trendy tips to get your fashion game up. Retro jordans, blue jeans, khaki joggers, and a nice hoodie are a great addition to your closet. If price is a factor, head to a local thrift store for some pieces to add to your closet. The thrift store may help you find an item that will set you apart from your fellow classmates. I understand everyone does not have the same sense of fashion; pairing jeans with jordans, and a Nike jacket will make you look cleaner.

I am thankful for.....
